

Dear Parent/Carer

Tuesday 7th November 17

We have received the information below from The Steve Morgan Foundation around a scheme they are running at the moment to help fund specialist equipment that some of our students may require. They have asked us to share this with our families who may benefit from the help of the scheme. Please read the guidance below which outlines the details of eligibility, how you may go about applying for such grants and what the grants will cover.

Yours sincerely

Warren Brooks
Headteacher

Steve Morgan Foundation – Enable

The Steve Morgan Foundation was founded in 2001 by Steve Morgan CBE to support projects that help children and families, people with physical or learning disabilities, the elderly or those that are socially disadvantaged in North Wales, Merseyside, Cheshire and North Shropshire. In 2017 we launched our Enable fund. This provides support for disabled people who are in financial hardship to obtain specialist equipment that cannot be supplied by the NHS, Education or Social Services. Beneficiaries must live in our geographical area.

We provide grants for

- Mobility aids, wheelchairs, buggies, hoists, trikes, etc.
- Specialised beds and sleep systems, postural chairs, seating and car seats
- Sensory equipment
- Communication aids, specialised software, specialist alarms
- Medical equipment, support wear

How to Apply

Call us on 01829 782808 to discuss your needs and request an application form. As part of our application process we ask that you provide the following:

- A professional medical reference (occupational therapist, physiotherapist, hospital consultant, etc.) from someone who works with you or your child in a professional capacity, explaining how the equipment will benefit you/your child.
- A valid quotation from the supplier of the equipment (please note we do not offer any retrospective funding and the quotation must still be in date).
- Basic financial information on the application form.

You can find more information and download the form from our website:

www.stevemorganfoundation.org.uk

Information for applicants

Enable

Provides support for families in financial hardship who are in need of specialist equipment and live in Merseyside, Cheshire (West of M6), North Wales and North Shropshire.

We fund specialist equipment for:

- Mobility aids, wheelchairs, buggies, hoists, trikes, etc.
- Specialised beds and sleep systems, postural chairs, seating and car seats
- Sensory equipment
- Communication aids, specialised software, specialist alarms
- Medical equipment, support wear

We don't fund:

- Holidays, respite care or childcare
- Reimbursements for purchases already made or where a statutory agency has the responsibility to pay for the item needed
- Lease or purchase of vehicles
- Toys & computer consoles (Wii, Xbox). PC's laptops or tablets (unless proven to be for sole use of children with special or medical needs)
