16th November 2017

Dear Parent/Carer,

As you know your child's annual review will take place during the spring or summer term. As part of this process we are trying to personalise the meeting for each young person. We would like to develop their individual presentation to include photographs from outside of College. If you could please send any of the following they will be returned to you after they have been scanned and uploaded.

Photographs of:

- Their family and friends
- Doing things they enjoy at home or in the community
- Their pets
- Anything that is important to them
- Anything that they have achieved

If you would prefer to email these photographs if you have them electronically please send them to millgreen@sthelens.org.uk . Subject: Annual Review Photos

If you have previously sent in photographs we will keep these in the presentation unless you would like additional pictures adding to reflect anything your child has done/achieved over the last year.

Please can we receive these by Monday 27th November

If you have any questions please contact me

Thank you for your support.

Miss Catherine King
Year 14 Lead
